

### **Credits and Resource List for Revised *Designing Better Places***

I would like to thank the following individuals for their technical assistance, tours, ideas, suggestions, help, and moral support during the process of creating *Designing Better Places*, including the previous versions released beginning in 2001.

- Olivia Collier, Appalachian Regional Commission Program Manager, who approached me about updating *Designing Better Places* in 2012 and helped facilitate the funding;
- My colleagues at the NC Division of Community Assistance who patiently sat through several drafts, offered excellent suggestions and helped me choose pictures: Karen Smith, Lauren Malinoff, Kristy Carter, Ron Hancock, Glen Locascio, and Sherry Adams;
- Harold Mallette, NC DCA's 2013 summer intern, who helped with pictures;
- Scott Poudier, NC DCA's 2012 volunteer summer intern, who introduced me to the book *Creating Vibrant Public Spaces* and helped with pictures;
- Craig Lewis, for his valuable input on both versions;
- Jim Segedy, for his encouragement and assistance;
- Vagn Hansen, Kris Krider, and Adrian Miller, who generously shared their time and provided touring assistance in and around Charlotte;
- Tom Gallaher, Mike Bruff, Jason Epley, Harrison Marshall, and Stephanie Monson Dahl, for their ideas and review of various drafts;
- Kathy Evers, for her creativity and assistance;
- Marcia Scott and Theodore Patterson, Institute for Public Administration, University of Delaware, for their review of various drafts and ideas on ways to collaborate;
- Jan Pamfilis, my former colleague at the NC Division of Community Assistance, who was tremendously helpful with cataloging pictures during the first version of *Designing Better Places*;
- My retired colleagues at the NC Division of Community Assistance: David Quinn, Geoffrey Willett, Woody Harton, Alan Lang, Jeff Fischbach, and Hermon Rector who provided invaluable assistance during the first version of *Designing Better Places*;
- Patricia Bass, NC Department of Commerce, for her assistance with the contracts;
- John Black, NC Department of Commerce, for his help with technical issues;

This video and other related slide shows are dedicated to the memory of my beloved late husband, Roger A. Briggs, a landscape architect and planner who taught me a great deal about design and photography, and who provided invaluable assistance for the first version of *Designing Better Places*.
